

6141
CHASSISWORKS DRAG RACE BILLET FRONT STEER
MANUAL RACK & PINION

Note:

Do not disassemble the rack; there are no user serviceable parts inside.

Specifications:

4 - 5/8 turns lock to lock with 6-1/4" travel

3/4-36 spline input shaft

7/16-20 RH female tie rod tubes

Use Chassisworks tie rod part number 6143.

Installation:

This rack has been designed for the 7702 drag race strut front clip only. Use the instructions for the 6142 rack clamps and 6143 tie-rod ends to complete the install. You can also refer to the assembly drawing packaged with the frame clip.

Revision Date: March 10, 2008
